

## **Horse Power Instructor Training School New Hampshire, USA**

Begins September 7th and ends on November 17th with Graduation Ceremonies.

This 11 week course is taught to prepare candidates to take and pass at either the NARHA Registered or Advanced level of certification.

Extensive course work includes:

- Bi-weekly riding lessons
- Detailed lectures on all kinds of mental health, learning, cognitive and physical disabilities
- Comprehensive stable management and equine welfare presentations
- Training of the therapy horse
- The business of starting or running a therapeutic horsemanship center, and
- Practical hands on experience with a herd of 30 horses and ponies of different breeds.

Participants have the opportunity to ride everyday if so desired.

Inviting, comfortable on site housing is available. Easy access to airport. Join us to experience therapeutic riding, driving and horsemanship in a warm and welcoming atmosphere!
